

A WINNING JOB DESCRIPTION TEMPLATE

Compelling introduction that grabs attention, speaks to the individual and implies what the gist of the job is

Eye-catching and tongue-in-cheek description of key qualities

Personable, original headings

Succinct bulleted list that presents job opportunities, written in a conversational voice

Bullets to state the job requirements, written in a personable, real-language way

Lots of white space

Separation of nice-to-have qualifications

"Apply with LinkedIn" included to streamline the process

QA Engineer

Location: New Brunswick, N.

Are you stubborn and unafraid of searching for that needle in the haystack? Do you love standing at the border between development and product? Are you an ardent learner, always looking to improve? Can you play nice with humans and machines?

Waldo Spotting Score

Outburst Rate

Zen Level

We Have:

- A top-notch application spanning multiple platforms
- HTML5 web apps in abundance
- A team of aces to work with
